

Speaker Biography

Ryan Stone

*Founder & President
Jetpool, LLC*

Ryan Stone is the Founder & President of Jetpool, LLC a turnkey aviation management company with a focus on the Very Light Jet market. Jetpool, LLC offers aircraft management, shared ownership, acquisition services and aviation consulting.

Prior to starting his corporate career, Mr. Stone served his country as a US Naval Officer on the USS Louisiana for five years. During this time, he qualified as the Engineering Officer of the Watch, supervising the nuclear power plant operations and as an Officer of the Deck, supervising submarine operations.

After completing his service, Mr. Stone started his career with Corning Cable Systems as a systems engineer. He continued his career with Duke Energy, where he was the Principal Assistant to the Chief Nuclear Officer of Duke Energy's Nuclear Generation Department and Program Manager for distributed control system upgrade project at Catawba and McGuire nuclear stations.

Mr. Stone received his BS in Systems Engineering from the US Naval Academy and his MBA from Kenan-Flagler Business School at the University of North Carolina – Chapel Hill. He is married with two children (three year old boy and ten month old girl).
